Dear Ms. Dortch:

On March 26,2003, John Scheibel of Yahoo! and I met with Matt Brill and Stacy Robinson of Commissioner Abernathy's office to discuss the above-captioned proceeding. We discussed possible means to ensure that consumers have non-discriminatory access to Internet content free from externally imposed technological or economic impediments. We discussed potential problems relating *to* such discrimination, potential solutions, and the legal basis on which the Commission could implement such solutions.

Sincerely,

Matt Brill
